

Gift Voucher information

www.stageandstudioservices.co.uk

Gift vouchers are purchased in hourly segments. The current rate (2016) is £35 per hour plus VAT (£42).

The voucher is valid for 12 months from date of purchase and cannot be exchanged for cash. It is only valid for studio time.

Backing tracks should be brought with you or sent to us in advance of your session which can be booked by calling or contacting us via the web contact page.

We'd suggest getting your tracks from <http://www.karaoke-version.co.uk/> who have a good selection and allow you to change keys etc.

It's a good idea to be well rehearsed with your track(s) so that you don't spend your time practicing during your studio time.

It's better to get one song recorded really well than to try and cram a lot of songs into your time.

We can't predict how many songs you'll get through and some of the time is needed to mix and master the finished recording. We'll make the most of your singing and can apply studio techniques to enhance the sound/tuning of your voice. This can take some time but you can purchase extra hours if needed.

The finished song(s) can be provided on a CD and/or mp3 or any other audio format.

You are responsible for your own copyright issues and we accept no responsibility for any copyright infringements. For more information please check <http://www.prsformusic.com/Pages/default.aspx>

We hope you enjoy your studio session and we help as much as we can to make you feel at ease.

Tea and coffee is usually available free of charge!
