

The Earth needs us all to protect it. We are all keepers of it and we all bear responsibility.

Stage And Studio Services aim to do what we can to cut carbon emissions and benefit the environment. This is an ongoing plan and we encourage our partners, clients and suppliers to help in any way they can.

The Company Motto is:-

*Repair, Reuse, Recycle*

Where ever we can we will:-

- Use UK suppliers
- Source UK manufactured equipment
- Replace old equipment with more energy efficient equipment such as LED lighting
- Repair equipment rather than replace
- Sell on equipment for reuse
- Donate unwanted equipment to charitable organisations
- Recycle and/or reuse packaging
- Offer unwanted packaging to other users
- Use reusable cable ties and fixings
- Use rechargeable and solar powered devices
- Use the most efficient vehicle per job
- Use local staff and crew
- Power our operations with Solar Energy
